## Local regulations

As a reminder, the use of a red rear light is now mandatory.

New Covid-19 regulations mean that there can be no pusher-off at the start, or catcher at the finish. All riders must start with 1 foot on the ground.

Competitors should not attend if they feel ill in ANY way or if family members have any symptoms.

An elevated resting heart rate or exceptionally quick to react heart rate during warm up can suggest an underlying asymptomatic illness of ANY kind. You should NOT start the event (DNS) and leave immediately. Do not go to the start line if you feel this is the case and notify the organiser of your intention not to start as a result of an adverse warmup.

Ideally all warm-ups should be done on the road, although at the discretion of the organiser static warm-ups can be permitted if strict social distancing can be maintained.

Competitors MUST NOT gather in anyway regardless of current guidelines in the car park, HQ area or elsewhere.

Competitors MUST NOT leave any personal items with the time keeper.

Competitors on finishing MUST NOT stop at the finish and MUST NOT loiter at the HQ/car park and MUST pack away and leave immediately upon completion of the race.

No support can be provided if a competitor suffers mechanical difficulties. It is strongly advised that all competitors carry with them a spare inner-tube/tubular, pump and tyre levers if required.

It is strongly advised that all competitors carry a mobile phone and take with them the telephone number of the event organiser. Please telephone the organiser if you have failed to finish the event.
