If you are planning to travel to the event by car there is an additional layby halfway along the course however any competitors parking there must arrive prior to the event start and must not leave until all riders have completed the course and to avoid unnecessary cycling on the course during the event must also not return to their vehicle until the event has finished also.

## Route from HQ to start

Competitors are requested to ride from the event HQ down the course to the start line 5-10 minutes before their start time and wait in line behind the start line. Please take care when riding down the course and make a safe and legal U-turn at the bottom before riding up to the start line.

For those cycling to the course from Cambridge please find a recommended route to the course departing from Brookside here: <https://www.strava.com/routes/2756617016136300292>

Please note for those cycling from Cambridge will need to cycle up the course to get to the event HQ. If you arrive at the course while riders are competing please keep to the far left of the road and be aware of riders currently competing and take care not to obstruct any competitors.
