Local regulations

Course safety considerations:

- We would recommend taking the most direct route to the start via the unnamed road and B2178 and avoid Woodend Road and the west section of Down Road.
- Look out for equestrians on way to start.
- no U turns in sight of Timekeeper Please.
- Beware of drivers joining highway without exercising due care and attention from: the pub at East Ashling, St. Paul's Road (B2178), Traffic coming from right at Lavent, Downs Road (opposite Church), White Horse pub, Fox and Hound Pub Funtington and car park opposite,
- There are 3 pelican crossings, one on the approach to Chichester and 2 on the way out, riders must stop when lights are Red.
- Chichester Northgate RAB has a narrow cycle lane, less than 1 metre, painted on carriageway Sub-standard design, well below minimum criteria, makes cycle lane hazardous. Road wide enough to ignore cycle lanes.
- Fork road to East Marden, danger of oncoming drivers swinging across path of riders.
- Climb up Harting Hill – Deer crossing road.
- Top of Harting Hill – Car park & vantage point Popular venue for walkers.
- Descent of Harting Hill – Fast descent to T-junction.
- T-Junction with B2146 – Sharp Left turn to commence steep climb up Tower Hill.
- Oldhouse Lane – Popular bridleway crossing Beware of equestrians.
- Walderton to Lordington – Popular with equestrians.
- T-Junction with Emsworth Common Road – Left Turn on to major road.
- No times to be given to riders at Finish.
- Riders must not cross the B2146 at the Finish Area.
- At finish return via Woodend Road if riders are still starting.

Course tips:

The course involves a steep twisting decent through a forested area and takes a sharp left turn before the bottom of the decent. Riders should familiarise themselves with the decent and the turn. Riders should consider trying the decent on the bike they intend to use on the day. (how good are your brakes on your TT bike?)

The maximum gradient on the climb is 17.2% and you will need to climb this after a +30min max effort. The minimum gear ratio on your cassette is worth considering, riders may want to consider swapping cassette or wheels if their TT bike has a small cassette.
