Route from HQ to start

The start is opposite the Eglinton Country Park entrance on the link road between the A737 Irvine Road and the Eglinton Interchange roundabout. It is only a short ride from the Racquet Hall HQ.

Course details

Start at lamp No R5 opposite entrance to Eglinton Country Park. Follow A78 south under two interchanges to turn at Dundonald Camp roundabout. Retrace to finish on slip road at Eglinton interchange.

There are two areas of medium risk in the course risk assessment. The first is where the three lane carriageway reduces to two lanes and the inside lane becomes the Kilmarnock Interchange slip road. You need to move over to the middle lane to continue. Please look over your right shoulder to check for traffic before moving across. The second is the turn roundabout where you need to move over to the outside lane to circle the roundabout for the return leg. Again, please check for traffic over your right shoulder (it would be advisable and sensible to negotiate the turn roundabout off the tri-bars and brakes at the ready).

Local regulations

1. Please park in the designated car parks and not by the side of the Country Park entrance road.
2. Please sign on and collect number at the Racquet Hall. You must sign out when returning race number after the event. Toilet facilities will be available in the hall.
- 3. Remember the CTT now require a front as well as the rear light. Please ensure your lights are working and attached before you ride. We will enforce this rule!**
5. The Country Park entrance and link road can be busy. There will be a start Marshal deployed to help control rider congestion.
6. We hope to have an urn with self-catering coffee and teas available after the event. Possibly some snacks.
7. Finally, enjoy the event, ride safe, abide by the rules of the Highway Code and be as considerate to drivers as you would hope them to be to you.
