Course details

***The course is two and a half laps of the circuit around St Eval Airfield and it is ridden in an anticlockwise direction.
A complete lap is 3.7 miles.***

Lap 1: The course starts at a point opposite to the Padstow Sea Sand company entrance and near St Eval Go-Kart. After a series of bends, approach the T Junction with caution and turn left. There will be a marshal on this junction. Continue along the long straight to the next left turn, signed 'St Eval' (there will also be a marshal on this junction). Turn left and then continue to start point to complete lap 1.

Lap 2: Repeat lap 1.

Lap 3: Not a complete lap. After passing the start area for the third time, turn left at the T Junction as per laps 1 and 2 and continue along the long straight. Do not turn left as on the previous two laps, continue around the right hand bend. The finish line is approximately 100 metres after the bend. The marshal on the bend will not know how many laps you have done!
