Promoted for and on behalf of Cycling Time Trials under its rules and regulations.

Headquarters

The HQ this year is at Stone Cricket Club, its a excellent location close to the start , there is plenty of parking but please respect any areas taped off and do not park on the grass. This is the first time using this venue and we would like to make it possible for other clubs to use in the future.

when you enter the HQ please be aware the start is close by and cars might be overtaking riders so take extra care when entering and exiting the HQ by car or bike , do not come out of the HQ and turn right to warm up as you will be on the course.

You can warm up at the HQ or there are many surrounding laybys that are suitable , we will look to hava a path way to the start that you can wheel your bike the short walk from HQ to the start along the grass verge if possible.

We have Stimulatte coffee on site serving top quality hot drinks

NOTES TO COMPETITORS:

17. Signing-on Sheet and Signing-out Sheet

(a) The competitors in all types of events must make themselves aware of any special safety instructions for the event and sign the official signing-on sheet when collecting their number.

(b) In Type A events a competitor must return to the event HQ either during the event or within

a reasonable time after the last rider has finished the event and must (i) return their race number(s); and (ii) sign the official signing-out sheet. A rider who fails to so sign the official signing-out sheet shall be recorded as DNF.

This event may be subject to a Doping Control As soon as you have finished you should return to the event HQ as it is your responsibility to check if you are required for Doping Control. Race numbers required for Doping Control will be displayed at the HQ adjacent to the result board. If your number is displayed you should report immediately to Doping Control which will be nearby. Remember, it is up to you to check and ensure that you comply. If required you must report to Doping Control after finishing without delay.
