Rutland CC (SPOCO in the Peak)(60 rider max)

It didn't rain and we all got a drink!

O17/C

Promoted for and on behalf of Cycling Time Trials under its rules and regulations.

Thanks to all who entered, rode and marshalled. The turn out wasn't lower than previous years but I think we made up for it with a great get together after the event.

NOTE: Peak RC are putting on the same SPOCO on the 15th June, get your entries in quick if you want to see if you can beat your time (or the record Andy - no headwind, right?)

Also, if anyone has a spare Ultegra 11 speed right hand shifter going spare please let me know, mine had an altercation with a height restriction sign on the way back from the event...

Thanks again,

Hopefully, see you all next year, tell your friends/family/enemies even, we enjoy putting on these events and need the entrants to really make it a good one!
