OPEN 25 MILE TIMETRIAL - V236/1

14/08/2022 08:00

V236/1

Promoted for and on behalf of Cycling Time Trials under its rules and regulations.

The early mist on Sunday seemed to lurk for hours but an early loop of the TT course revealed nothing more than a few dead hares and a squished hedghog to worry about. The signs out early and the HQ set up by 6.45am, marshals deployed and timekeepers synchronised, the day was starting to hot up by the time the first rider was off. Sadly the entries have been low this year, however we were very pleased to see a half decent field and it was great to catch up with riders new and old. With the brews and snacks sorted, results sheet on the tv screen and some 90's rock blurring out at signing on, there was quite a jovial atmosphere about the place. Results started flowing in and chat of covid, brexit, windsock, ftp, power to weight and personal bests filled the air. Absolutely no riders off course and no incidents at all to report - thanks to the marshals for keeping an eye out on the road and not staring at your phones! I couldn't have asked for any better help on Sunday, which made the whole event a pleasure to organise. Well done to all competitors and thanks to all helpers, we also appreciate your generous contributions to the refreshments tin.

Timekeepers

With thanks to Steve Smith and Phil Hurt, as always a credit to the TT society
